

### HOW WE SING

#### Colossians 3:16

1. List below the four words which should characterize our worship and put a scripture beside each.

The first letters of the four words spell \_\_\_\_\_.

2. Paul wants each Christian to reach the goal of letting the \_\_\_\_\_ of Christ \_\_\_\_\_ in them richly. We can do this by \_\_\_\_\_ and by \_\_\_\_\_.
3. We sing our songs to \_\_\_\_\_ and to \_\_\_\_\_.
4. When we sing we should be expressing \_\_\_\_\_ to God.
5. List below the songs the class studies and put beside each two whom we direct these songs and some thoughts we should have when we sing it.
