#### Some Thoughts for You

1. If you could adjust time, and put Samson and the Philistine giant Goliath in a hypothetical WFW match, who would win?
2. Mentally, walk through the 4 C's as you study the life of Samson. Do you personally consider your choices, Compare your attitudes and actions to God, Commit to God's ways, and then Count on God to protect and provide for you? Have you found yourself in a compromising situation? Do you know of a person in your school or church that made a bad decision that has life-time consequences? Can God still work in this person's life? In your life?
